

Sessions House Room Booking

Sessions House, the former Magistrates Court, has been the home of the City of Ely Council since 2014, located on Lynn Road in the centre of the historic City of Ely, close to the Cathedral and several free car parks.

We are able to offer various rooms for hire for meetings, training events or for general private hire. A lunch buffet can be organised, if required.

The Council Chamber

The Council Chamber is situated on the first floor and is ideal for training courses, board room style meetings or small theatre style conference meetings. This medium sized room is equipped with wi-fi and has lift access. The ante-chamber is ideal for break-out sessions or for use as a welcome or refreshment area. For an additional fee, a projector and screen can be hired and refreshments can be purchased.

The Judges Room

The old Judges Room is a smaller meeting room that comfortably fits approximately 10-12 people in a board-room style set-up. There is a small kitchen adjacent to the meeting room where drinks can be prepared. The room can be accessed by lift if necessary.

The Ante-chamber

For a less formal, smaller meeting, the Ante-chamber can be hired. Ideal for catch-up meetings with work colleagues or for just small general meetings. Refreshments are available. Has lift access.

The Courtroom

The Old Courtroom is a unique space, situated in the heart of the building and rises through both storeys, with bench seating on both levels, providing viewing galleries. This space would be ideal for use for cultural events such as musical performances or recitals. Due to the unique layout of the room, access is limited on the ground level with disability access via the lift to the upper gallery.
